If you know of a correction or omission to the Birthdays or Anniversaries, please relay that information to the church office. Thank you.

Missionary Sally Barrett provides the discussion for the new year at Daleville Christian. Sally reports a discussion with an acquaintance about church. The young woman had been hurt by the church and the Christian faith seemed unbelievable. Come to find out that NO ONE had EVER explained to the woman about Jesus' love, sacrifice, and saving grace. Sally Barrett reports that this is not an UNUSUAL situation. Sally sees it over and over.

How many people do we run into who think they know something about Jesus or Jesus' church when in reality they have never really heard about the God who loves them, cares about them, and wants them to live wonderful lives.

Some folks want to be "spiritual" or don't want to be "religious" when the truth is we want NONE of that. We want Jesus. Can you tell someone ANYTHING about the Jesus whose birth we celebrate at Christmas? Jesus is the answer to prayers and hopes of generations—God's promise to come to us to save us.

A blessed new year to you and yours. Remember your spiritual commitment cards. Keep them close. Review them. Praise and thank the Lord.

Peace, G

Gary

Spiritual Renewal in 2015! All of us are helped by little reminders to do the things we really want to do—even spiritual growth we would like to see happen. Commitment cards are available in the sanctuary. You are not giving your name to anyone. We make our commitments to the Lord; not to Pastor or Elders. There is a check off for you to make your commitment. There is a check off to place in the commitment box at church. You keep the card. It is good to know if anyone (anonymously) is committed. Keep the card in an obvious place to remind yourself as to what you want to be committed to in your spiritual growth. You and the Lord are the ones who really want to know about your decision.

You may discover in the coming weeks that you want to shift or change your commitments. Note it on the card for yourself. (Christmas is usually a season of spiritual growth.) Prayerfully consider the ways in which our Lord wants you to grow. Be blessed. May this be a blessed season for you.
