

Week of Compassion Offering

DCC has participated in the "Week of Compassion" offering for over fifty years! We have helped people at home and abroad when emergency situations happen. We have helped tornado victims in Indiana and monsoon victims in Indonesia. How can we do that? The Week of

Compassion Offering! Recently (from previous gifts) we have helped refugees in the Congo and earthquake relief in China. Out of every dollar given to Week of Compassion 50¢ is for emergency response, 25¢ is for sustainable development, 10¢ is for mission stations/partners, 8¢ for refugees, and just 6¢ or 8¢ for administration. Or you can give on line www.weekofcompassion.org Also, you can give through DCC website or Facebook page. Just note that your gift is for Week of Compassion.
