Week of Compassion--always helping in Jesus' Name!

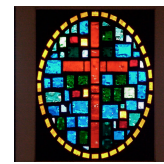

DCC takes Week of Compassion Offering every February. However, Week of Compassion is an emergency fund. When emergencies happen, Week of Compassion responds. Therefore you may contribute to Week of Compassion all year at DCC or on the website ([dalevillechristian.org](http://dalevillechristian.org)). or [weekofcompassion.org](http://weekofcompassion.org).

## Jesus in the News

**Study: More Americans than ever spurning religion**

The second largest "religious" group in the nation is one that claims NO religion. Christianity is still the dominant faith by far in the U.S.; 7 in 10 Americans identify with the tradition. However, the ranks of Christians have declined as the segment of people with no religion has grown, the survey says.

This is why Pastor McManus has been speaking on "What we Believe" and how followers of Jesus are distinct and different from other faiths/religions. Part of what the statistic tells us is that more people have NO IDEA and NO BASIS for understanding what we often talk about. Just remember to say something about Jesus!
