

Snacks for Kids

A box is now in the narthex for snacks for students at Daleville Elementary. The snacks can be passed out discreetly for the after-school period or given when a child hasn't had breakfast. This is an ongoing opportunity for our congregation to share, and the school personnel are happily onboard.

In consultation with the DES Nurse, here is a list of snacks needed:

Juice boxes

Nutri-grain bars

Cereal bars

Peanut butter cracker packs

Brown paper bags

Granola bars

Cheese cracker packs

Trail mix

Single serve items: applesauce, fruit cups, soups, spaghetti O's, pudding cups, jello cups, mac-n-cheese, raisins, pretzels, chips, cookies, gold fish crackers, and Cheez Its.
