

What We Believe

What We Believe at Daleville Christian Church

We believe the Bible is the Word of God.

We believe that Jesus Christ is the Son of God who died to save folks from their sins.

We believe that folks are saved by grace alone through faith in Jesus Christ.

We believe that baptism is the means by which people are to publicly profess their faith in Christ and identify themselves with his death, burial and resurrection.

We believe that the Bible and the Holy Spirit will guide folks in how to live.

Sermon Reflections on DCC's Past, Present and Future

Is our being chosen for this time and place the key to our future? The very buildings we are in today STILL speak of decades—even 145 years--of faithful stewardship worshiping on the very same ground of years of past Daleville Christians—men and women whose names and faith YOU have known. They continued Jesus' mission so that WE could be here today. We stand on their shoulders and now the future is on OUR shoulders; but not just OUR shoulders, right? Our Lord Jesus said, "take MY yoke upon you."

(Matthew 11:29)
