

From the Elders' Report: Physical Support Report

The Elders met in their regular meeting January 21, 2016. Quarterly and annual reports were received, reviewed. But in Physical Support since January 1, 2016:

- furnace for sanctuary; one motor needed, replaced Jan 8th (Nardco)
- since wind storm of Dec 23rd which pulled fascia off sanctuary building
- Mervin Wickey will replace wood eaves and fascia ... **DONE!**
- need to address parking lot light *pronto* / Electrician contacted, scheduled ... **DONE!**

DAY CARE: *the furnaces must be replaced*, temporary work not sufficient for continued use (units are 20 plus years old), Terry Levell contacted - work to take place January 23rd! The cost was \$5,200 plus. ... **DONE!**

YOU MAY CONTRIBUTE to the Education/Day Care Furnace replacement (please do) .. Day Care and DCC share the utility costs but DCC provides the physical space.

This need was not in the budget for 2016. Please consider helping this emergency need.

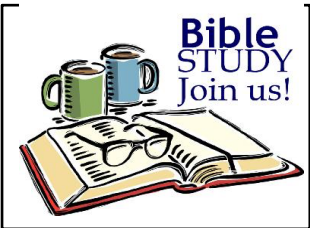

If you got to start somewhere, why not here?

If you got to start sometime, why not now?
